### **Memorandum**

**TO: Friends of the Ashtabula River Partnership**

**FROM: J. Mahan**

**SUBJECT: Annual Meeting & Picnic**

On behalf of all of us at the Ashtabula River Partnership, I invite you to join us for our Annual Meeting & Picnic, scheduled for 3:00 p.m., on Wednesday, 28 August, at the Ashtabula Yacht Club.

This event has become our yearly opportunity to apprise everyone of the progress we have made throughout the past year in our efforts to remediate the contaminated sediments in the Ashtabula River and harbor.

The 2001-2002 calendar year has been a particularly productive one, culminating in on-going and significant work on the Design Phase of the project. You will hear from our standing committee chairs and co-chairs--Outreach, Project, and Resources--as well as from the chairs of several *ad hoc* committees and subcommittees formed throughout the year.

In all we are particularly pleased with this past year's progress.

As in the past, we shall also be providing boat tours of the river and harbor subsequent to the meeting.

We hope to see you there.
